

How to Prioritise when **Everything** is a priority

It's great to run your own business
but it means juggling lots of roles:

- Responding to customers
- Managing your staff
- Meeting deadlines

And all the rest...

Join us in 2 fully-funded workshops to:

- Identify what's working well
- Explore techniques that will help you
- Discuss with other business owners
- Develop an action plan for your business

So you can focus on what you do best
